From fresh fruity scents to decadent warm kitchen aromas, a BuggyTown Candle fundraiser is perfect no matter what the season! Candles are no longer just for special occasions, they can make everyday, every home and every office special to the senses.

Our fundraiser candles are the same high quality soy wax candles that we wholesale and retail. You will sell your candles at our suggested retail prices and keep up to 50% !

We now have 2 options for you:

1. 50% option: You sort the individual sellers orders.
2. 40% option: We do most of the work for you. We will sort all of the individual sellers orders into cases marked with sellers name. YOU DECIDE!

Your Organization has the potential to make thousands of dollars!

WHAT EXACTLY WILL WE BE SELLING?

Your group will be selling our top 2 candles sizes in our most popular candle scents (Spring/Summer fundraisers sell top 10 scents - Fall/Winter fundraises sell top 12 scents)

- The Mercantile Jar is \$18.00 and is 18oz container soy wax candle and has an approximate burn time of 140 hours.
- The Jelly Jar is \$8.00 and is 6 oz container soy wax candle and has an approximate burn time of 50-60 hours.

HOW DO WE GET SET UP TO SELL 'BUGGYTOWN CANDLES' FOR OUR ORGANIZATION?

- 1. Decide when you would like to do the fundraiser - a start date and end date.** As well as how long you will be selling the candles (2 weeks of selling works well for most groups). Fundraisers booked January thru July will sell our Spring & Summer best selling scents, all other fundraisers will sell our Fall and Winter best selling scents.
- 2. After receiving the number of total sellers you will have participating, we will supply you with order forms and sample kits.** For groups under 20, we will supply you with sample kits to use. For larger groups you may purchase candles at wholesale cost to display or we will send a few sample kits for the group to share. **Sample kits are free to use but you will be charged \$10 for each kit not returned.**
- 3. After receiving order forms and sample kits (if requested) the fundraiser can begin.** Candles MUST sell for our suggested prices and no less.
- 4. After sale, you need to send us the tallied up order with payment allowing 3-4 weeks for us to fill the order.** (Fall fundraisers may be delayed even longer as it is our busy season and orders are processed in the order in which they are received.) **PLEASE RETURN SAMPLE KITS IMMEDIATELY - OTHER FUNDRAISERS ARE WAITING TO USE THEM.** *DO NOT send the individual order forms for us to tally up if you are going with the 50% option, or we will assume that you want us to sort the orders, and you will only receive 40% profit! We need a final total of each fragrance if you are going with the 50% option. A tally sheet should have been included with your order forms and sampler kits.*

*Please note due to increasing costs bags are no longer included with any of our fundraisers, however bags may be purchased for .25 each. Just let us know if you will be needing bags so we can have those ready to go with your order.

Delivery of your fundraiser is your responsibility. You will need to pick up your candles when they are ready or pay shipping/delivery. Just let us know which you will be doing.

NOTE: Please send ONE check or money order to cover entire order. Full payment is due within 7 days after the fundraiser end date. Payments not received within 7 days are subject to having the fundraiser cancelled or postponed - as fundraisers are scheduled in our production schedule. Therefore delayed payments affect other orders, so promptness in payment is very important (Thanks!)
